Note Legend

1 : This system can be fitted to CCM-equipped models, however the original hand-brake calipers can't be used. Hand-brake calipers from an iron brake model must be obtained and used instead.

2 : This system consists of CCM-R discs assemblies and brake pads which directly replace the OEM discs and pads.

Note that this system could be fitted to 2012+ models if used with calipers from 2009-2011 model years.

3 : This system consists of CCM-R discs assemblies and brake pads which directly replace the OEM discs and pads.

General Notes

Add 1,2,3,5 to end of part number for caliper color. 1=black, 2=red, 3=silver, 5=yellow

Add R to end of part number for GT-R caliper (higher price applies). Applicable to M4 and M6 kits, i.e. with M, N, or P second digit.
